

August 2019 Newsletter

Firstly a big welcome to our new members!

A message from your Treasurer

Please be aware that the banks are now being very careful and very particular when accepting cheques to be paid in to the Society's bank account. A new clearing system is being introduced and non adherence to the following information will increase the work load for the Treasurer and for you.

YOU MUST:

Write in Black or Blue ball point pen only

Write " New Forest Art Society" as the payee

Write "only" after the words of the amount if there are no pence in the amount of the cheque. ie.Ten pounds only

Make sure that the figures and numbers agree

Write a new cheque if you make a mistake.

Sign the Cheque

YOU MUST NOT

Do not write in any other colour of ball point pen, in pencil or in felt tip pen

Do not write NFAS as the payee

Do not amend the cheque in any way (not even an initial for an amendment is acceptable). You must write a new cheque.

Do not issue a post dated cheque.

Your help in this matter would be greatly appreciated.

Many thanks. Jan Hawker.

Past Events

July meeting

This was a critique by well known artist and teacher John Edwards. There were forty members and visitors attended with twenty five paintings to be appraised by John. He emphasised structure and colour balance, offering to 'take things to a higher level' with small changes to our works. He also gave advice on ways to frame in order to show the picture off to it's best advantage. I am sure everybody learnt something positive from this critique.

Future NFAS Events

NFAS Summer Exhibition

A reminder that our exhibition runs from 3rd - 11TH August. Hand in on the 2nd between 5 - 6 pm and hand out on the 11TH between 5.30 - 6pm. NOT BEFORE PLEASE. Please make sure that you adhere to the standard of framing as advised. Artists profiles will be on show so if yours need updating or you haven't got one please do this as people do like to know about the artists, especially if they are about to purchase.
