**Congratulations: Julie Walker was invited to donate a painting by Teesside Philanthropic Foundation this month and it raised £1000 for local charities.**

## New websites for marketing the society and ourselves as artists.

1. The Local Art Scene is based in Lymington and has been set up to support local artists and events in towns and cities across the UK. The Art Society has now a listing (free of charge) – check [www.thelocalartscene.co.uk/new-forest](http://www.thelocalartscene.co.uk/new-forest). **In addition**, artists can get a free listing by going to [www.thelocalartscene.co.uk/local-art-promotion](http://www.thelocalartscene.co.uk/local-art-promotion) and completing the form.
2. [www.artclubshare.weebly.com](http://www.artclubshare.weebly.com) was recently set up by Fordingbridge Art Club to publish and share activities of local art groups. At no cost NFAS has been added with a direct link to our website (there is also a link on our website to this new website). It is an easy way to see what other societies are offering and hopefully other society's members will be tempted to attend our events!

**Christmas tree festival at St Michael's in Lyndhurst** – is taking place the same weekend as our December Sale. Do call in if possible. NFAS have a tree decorated suitably with art related adornments... admire our handy work! (thanks Jan W for organising our tree).
