Next Meeting: 15th July 7:00

Artist /Calligrapher: Jan Pickett

‘Since my childhood, I have loved all forms of art and lettering. Working as a full time professional calligrapher and illustrator, I enjoy creating exuberantly colourful and fun decorated lettering, as well as preparing my more serious and formal calligraphic work within the commercial world. I have been teaching Calligraphy for 15 years and am a CLAS Accredited Tutor. I was absolutely delighted to be invited to be an Honoured CLAS Fellow in 2004. My work is in the Fitzwilliam Collection of Contemporary Calligraphy in Cambridge.’
