Bonnie Brown: *Light Structures*

Next Meeting: 17th June 7:00

Artist's Critique: Bonnie Brown:

"The fragments of experience which take on a special significance are celebrated in Bonnie Brown's work. Her canvas or paper becomes a fluid portal of time; her iconography is referring to visual clues, to personal memories of other places and other times, in the way that a small visual detail can bring a whole raft of memories flooding back to mind. Here is a personal memory bank, but made relevant to us all by the nature of the generic form of memory - we all recognize its fragmentary nature, that scent of the past, slivers of history, the experience of moments." NFAS UPDATE

Wendy Jelbert developed the theme of movement through painting an exciting seascape [20th May NFAS Meeting]. The NFAS also benefitted from Wendy's generosity as she has donated a painting for a raffle at the Summer Exhibition.

Table Top Sale

Many thanks to the members who donated items to the Table Top sale [May 20th] we raised £36.20 for NFAS.

Paint Out Day at Keyhaven, 16th May was attended by members of the NFAS Committee. It would be nice if members also supported 'paint outs'. Many thanks to Sandy for her help and advice and sojourn to the pub.
