NFAS Update

Summer Exhibition: Total Profit from the exhibition was £855 (last year £130). Main reasons for the improvement were, higher footfall, raffle receipts, donations (paintings and cash) and more sales. Well done everyone

A well-attended meeting on 16th September with Stephen Foster, gave NFAS members and visitors an opportunity to see a misty river scene develop.

Many thanks to the contributors of the NFAS table top sale, we raised £26 for NFAS funds.

We welcome 4 new members to the society:

Jackie Marshall, Geoff Pinckney, Dorothy Evans and Jenny Simpson.

SAA World Record Art Challenge – entries to be sent by 21st December please hand in to Alli Goddard by 1st Dec.

WINTER EXHIBITION AND SALE DECEMBER 12TH/13TH

2015 10.00 – 16.00

VENUE: PINE ROOM LYNDHURST COMMUNITY CENTRE

Book a Table???

You should have received the paper work.

Committee in action.....At the September committee meeting we discussed a suggestion written in the Exhibition Steward Notebook, that members should pay a small fee for attendance at monthly meetings (on top of annual subs) or there should be an increase in charge for refreshments at the monthly meetings. It was agreed not to go with the first suggestion but, **from the October meeting, to charge £1.00 for refreshments.** We do value members' thoughts and ideas. Have you wondered whether to join the committee? We do need more committee members.....more information in the next newsletter.

September 12th Workshop.....many thanks to Brenda for stepping in at short notice. A fun and informative introduction to pastel as a medium was enjoyed by those who attended. We left inspired to get those pastel paintings flowing! For those members who were signed up for Sandy's Horse Workshop, we are hoping this will be offered in the next programme of events.

Brenda & Margaret

Have you attended a monthly meeting recently? If not, please do give it another try. We have taken on board comments from the last AGM and it would be great to see you again.
